Condition Table

Condition Rating Guide shows the difference of product conditions.

N

(NEW)

Never used, very good investment value.

AA

(PERFECT CONDITION)

Perfect Condition, has barely been worn, has kept excellent shape, no flaws. The top second-hand condition, almost as if you bought it in the store. Very good investment value.

A

(EXCELLENT CONDITION)

Signs of wear isolated to a small watermark, mild patina discoloration or scuffs limited to a narrow area but still maintains structure and other than the isolated wear maintains excellent condition standards. Hardware is intact and not discoloured.

AB

(VERY GOOD CONDITION)

Regular wear signs, has been used often but kept in very good condition for daily use, beautiful patina. Can show light watermarks, scuffs and mild patina discoloration but structure is maintained, and hardware is intact but might be very mildly tarnished.

B

(GOOD / FAIR CONDITION)

A vintage piece, with all the wear it involves, may present some small cracks in canvas or leather, beautiful patina, hardware can be tarnished, overall structure is still maintained, good for relax and everyday use.
